Myanmar's Best Payroll & HR Services Provider

P&O® was founded by the leaders of Asia's best recruitment and corporate secretarial service firms to minimize legal exposure and maximize operational success for their existing clients, who consist of some of the most prominent local and multinational companies. With a combined in-market experience of more than a decade, we identified an opportunity to support local and international companies with outsourced payroll and EoR services, with ongoing value-added advisory services to build our clients confidence operating in Myanmar.

P&O® provides high touch services that remove all administrative burdens, pain-points and onerous filings with employee payroll, headcount quotas and staffing budgets.

We know the legal and regulatory environment better than many firms.
